TOP NEWS

Exxon Takes AG Climate Probe Fight To 2nd Circ.

Oil giant ExxonMobil said Friday it will appeal to the Second Circuit a New York federal judge's dismissal of its suit claiming the attorneys general of New York and Massachusetts conspired to violate its free speech rights on climate change issues by investigating the company. [Read more »](#)

Monsanto Appeal Can't Keep Herbicide Off Calif. Cancer List

A California appeals court on Thursday refused to revive Monsanto Co.'s lawsuit challenging a state agency's inclusion of the herbicide glyphosate on a list of carcinogens, which could require the company to put warning labels on its popular Roundup weed killing products because glyphosate is an active ingredient. [Read more »](#)

Fed. Circ. Says Taking Claim Fails In Katrina Flooding Fight

The federal government can't be held liable for damage caused by Hurricane Katrina-related flooding under the Fifth Amendment based on lackluster maintenance of a navigation channel, the Federal Circuit ruled Friday, reversing a U.S. Court of Federal Claims decision. [Read more »](#)

GOP State AGs Back Big Oil In Calif. Climate Suits

Republican attorneys general from 15 states urged a California federal judge Thursday to dump Oakland's and San Francisco's suits seeking to hold oil giants liable for climate change-related infrastructure damage, accusing the Golden State municipalities of unlawfully trying to regulate national fossil fuel use through the courts. HSBC Holdings PLC said Friday it is turning its back on funding high-carbon energy projects as the bank looks to ease pressure from activists and regulators who want financial services firms to step up their response to climate change. [Read more »](#)

POLICY & REGULATION

NJ Gov. Signs Law Banning Offshore Drilling

Newly minted New Jersey Gov. Phil Murphy signed into law a bipartisan bill on Friday that bans offshore oil and gas drilling in the state's waters and beyond, a move that comes as a rebuke to the Trump administration's efforts to undo Obama-era restrictions on the activity in the Atlantic and Pacific oceans. [Read more »](#)

Dems Look To Shield Offshore Rules From Trump Rollback

Eight years after the Deepwater Horizon disaster that killed 11 and sent plumes of oil spraying into the Gulf of Mexico for months, a group of Democratic senators Thursday proposed codifying two Obama-era rules aimed at tightening regulations for offshore drilling after the Trump administration moved to reconsider them. [Read more »](#)

NY Beefs Up Energy Efficiency Targets To Drive GHG Cuts

New York Gov. Andrew Cuomo on Friday unveiled a new energy efficiency target that aims to significantly slash buildings' energy use by 2025, saying the reductions will help the Empire State reach the goal of cutting its greenhouse gas emissions by 40 percent from 1990 levels by 2030. [Read more »](#)

Senate Dems Press For Info On Koch Ties To Trump Policies

Senate Democrats have demanded information from President Donald Trump and several federal agencies including the EPA and the U.S. Department of Labor concerning the alleged "sweeping infiltration" of the current administration by the Koch brothers and their affiliates, Sen. Sheldon Whitehouse, D-R.I., announced Friday. [Read more »](#)

LITIGATION

11th Circ. Affirms Sewage Not Pollution In Insurance Row

The Eleventh Circuit upheld an Alabama federal court's ruling that a pollution exclusion in an insurance policy doesn't apply to property damage and injuries from a sewage leak, saying Friday the lower court rightly drew comparisons to a past case that reached the same conclusion. [Read more »](#)

Jamaican Investor Hits Dominican Republic With \$300M Claim

A Jamaican national has hit the Dominican Republic with a more than \$300 million arbitration claim after the landfill he invested in was improperly seized by the government for alleged environmental misdeeds, his law firm confirmed on Friday. [Read more »](#)

Mining Co. Asks DC Circ. To Revisit EPA Superfund Ruling

Sunnyside Gold Corp. urged the D.C. Circuit on Thursday to rethink a panel decision backing the U.S. Environmental Protection Agency's addition of the entire Bonita Peak Mining District in Colorado to the federal
